Reading Skills	Level	Your Performance
Reading	High(22-30)	<p>Test takers who receive a score at the HIGH level, as you did, typically understand academic texts in English that require a wide range of reading abilities regardless of the difficulty of the texts.</p> <p>Test takers who score at the HIGH level, typically</p> <ul style="list-style-type: none"> • have a very good command of academic vocabulary and grammatical structure; • can understand and connect information, make appropriate inferences, and synthesize ideas, even when the text is conceptually dense and the language is complex; • can recognize the expository organization of a text and the role that specific information serves within the larger text, even when the text is conceptually dense; and • can abstract major ideas from a text, even when the text is conceptually dense and contains complex language.
Listening Skills	Level	Your Performance
		<p>Test takers who receive a score at the HIGH level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information.</p> <p>When listening to lectures and conversations like these, test takers at the HIGH level typically can</p> <ul style="list-style-type: none"> • understand main ideas and important details, whether they are stated or implied; • distinguish more important ideas from less important

Listening	High(22-30)	<p>ones;</p> <ul style="list-style-type: none"> understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process); recognize how pieces of information are connected (for example, in a cause-and-effect relationship); understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.
Speaking Skills	Level	Your Performance
Speaking about familiar topics	Fair(2.5 - 3.0)	Your responses indicate you are able to speak in English about your personal experiences and opinions in a mostly clear and coherent manner. Your speech is mostly clear with only occasional errors. Grammar and vocabulary are somewhat limited and include some errors. At times, the limitations prevent you from elaborating fully on your ideas, but they do not seriously interfere with overall communication.
Speaking about campus situations	Fair(2.5 - 3.0)	Your responses demonstrate an ability to speak in English about reading material and experiences typically encountered by university students. You are able to convey relevant information about conversations, newspaper articles, and campus bulletins; however, some details are missing or inaccurate. Limitations of grammar, vocabulary, and pronunciation at times cause difficulty for the listener. However, they do not seriously interfere with overall communication.
Speaking about academic course content	Fair(2.5 - 3.0)	Your responses demonstrate that you are able to speak in English about academic reading and lecture material, with only minor communication problems. For the most part, your speech is clear and easy to understand. However, some problems with pronunciation and intonation may occasionally cause difficulty for the listener. Your use of grammar and vocabulary is adequate to talk about the topics, but some ideas are not fully developed or are inaccurate.
Writing Skills	Level	Your Performance
Writing based on reading and listening	Good(4.0 - 5.0)	<p>You responded well to the task, relating the lecture to the reading. Weaknesses, if you have any, might have to do with</p> <ul style="list-style-type: none"> slight imprecision in your summary of some of the main points and/or use of English that is occasionally ungrammatical or unclear.
Writing based on knowledge and experience	Good(4.0 - 5.0)	<p>You responded with a well-organized and developed essay. Weaknesses, if you have any, might have to do with</p> <ul style="list-style-type: none"> use of English that is occasionally ungrammatical, unclear, or unidiomatic and/or elaboration of ideas or connection of ideas that could have been stronger.

SCORE REPORTING

Policies pertaining to score reporting and use are periodically reviewed and revised by the GRE Board. The policies and procedures explained in the 2013-14 *GRE Information and Registration Bulletin* are effective only for the time period of August 1, 2013 to June 30, 2014 and supersede previous policies and procedures in previous bulletins. GRE scores are reportable for five(5) years following the testing year (July 1 to June 30) in which you tested. Currently, GRE scores earned after July 1, 2008 are available.

PERCENTILE RANK (% BELOW)

The percentile ranks in this report indicate the percentage of examinees who scored below your score. Note that these percentile ranks may be different from those that applied when the scores were originally reported to you if the scores were earned prior to July 2013. This reflects annual updating of these data to permit admissions officers to compare scores, whenever earned, with those for a recent reference group.

RETAKING A GRE TEST

You can take the GRE revised General Test once every 21 days, and up to five times within any continuous rolling 12-month period. This applies even if you canceled your scores on a test taken previously. You may take the paper-based GRE revised General Test and GRE Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

SCORES NOT REPORTED

"Scores Not Reported" is listed in the Report Date column of the Score Recipients section of your score report if one of three scenarios occurs:

- You requested scores to be sent to an undergraduate institution that does not receive scores.
- The code for the graduate institution you designated to receive scores is no longer active.
- Your reportable score record does not include scores for the requested test.

Note: This report is not valid for transmission of scores to an institution.

The GATE 2016 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2016 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

from the only overseas centre Dubai have qualified.

All Institutes having admissions through JEE, admit OBC/SC/ST students with relaxed criteria. This year, out of 104045 OBC candidates who wrote JEE, 1930 have qualified. Similarly, out of 36117 SC candidates 967 have qualified, out of 12484 ST candidates 208 have qualified. **Gopi Sivakanth** (Regn. No. 6004088) with AIR **3** in the common merit list, **Mukul Singh** (Regn. No. 1128302), AIR **220** in the common merit list and **Kirtesh Meena** (1168033), AIR **281** in the common merit list are the toppers of the OBC, SC and ST candidates, respectively. Candidates with physical disabilities (PD) will be granted admission through JEE-2009 with same relaxed norms as they are for SC/ST candidates. This year, 138 PD candidates have qualified under these norms.

Counselling for admissions will be made to all these candidates during 9th June to 16th June, 2009. Course allocations to the successful candidates will be declared on Wednesday, the 24th June, 2009.

All IITs, IT-BHU Varanasi and ISMU Dhanbad will also conduct a one-year Preparatory Course for SC/ST/PD students who do not make it to the common or reserved category merit lists. This year, 473 SC candidates, 641 ST candidates and 170 PD candidates have qualified for the Preparatory Course.

The result of JEE-2009 may be accessed from all IIT websites, and through Interactive Voice Response System (IVRS) and Short Message Service (SMS) specially set up for this purpose. The zonal results are displayed in the respective IITs.

An extended merit list, category-wise, has also been drawn to facilitate admissions to other Govt. of India Institutions and the same has been displayed on websites. Students on this list may be counselled by the Indian Institute of Space-Science Technology (IIST), Indian Institutes of Science Education and Research (IISERs), Rajeev Gandhi Institute of Petroleum Technology (RGPT) and Indian Institute of Maritime Studies (formerly DG Shipping).
